[55]Motion for Summary Judgment DENIED

MINUTE TEXT: Parties argued their dueling motions for summary judgment. The Court will not grant either motion and will allow this case to proceed to bench trial. The Court GRANTED IN PART the Motion to Exclude; the witness is allowed to testify but limited as to the scope. There will be no pretrial conference, but if parties elect to file a proposed pretrial order, it is due by the end of May. The parties estimated trial would last 2-3 days. The Court will likely set this on a June calendar. Hearing adjourned.
